9. The nos of the Mysore City draft bye laws have been marked against the corresponding bye laws of the Shimoga Municipality

10. For "Every head member, owner, occupier or care of a house" in Bye law no 134 of the Mysore City, "Every head member, owner or occupier or caretaker of a house or dwelling place" is substituted in Bye law no 1 of the Shimoga Municipality. In the latter the fine for violating the bye law is fixed at 'not exceeding Rs 50' instead of 'not exceeding Rs 200' in Bye law no 135 of Mysore City Municipality.

11. Bye laws 2 to 5 of the Shimoga Municipality are new

APK 80 12. I think bye laws 2 to 5 are based on the bye laws sanctioned for the Chikmagalur town. Please verify & put up papers

in Shimoga Municipality
I am directed to state that
the by laws have been modified
in the Secretariat as shown
hereunder.

(i) 'provided that no compulsion
is used in this behalf' is
inserted at the end of By law
no 2

(ii) 'by law' and 'District
Saddary Officer' are sub-
stituted for 'rule' and 'Health
Officer' respectively wherever
they occur

I am further to request that the enclosed draft
be placed before

by laws with the amendments indicated above
made for reconsideration
by the Shimoga Municipal
Council, and reconsideration in
due course

Draft By laws re - Enforcing information as to Epidemics framed by the Shimoga Municipal Council (Sec 48) under Sec 48(1)(c) of the Mysore Municipal Regulation
Draft by laws of the Mysore City Council S
 134

Every head member, owner or occupier or care taker of a house or dwelling place shall immediately on his becoming cognizant of Plague, Cholera, Small-pox or fever with glandular swelling in such house or dwelling place inform the same either personally or in writing to any officer of the Municipality not below the rank of Sanitary Inspector or to the nearest Police Station

135

Any person violating this rule shall on conviction be liable to a fine not exceeding Rs 50

new

2. Any person authorized by the Municipal President in this behalf may, on the advice of a duly qualified Medical officer not below the rank of an Assistant Surgeon, remove persons suffering from any infectious disease and persons in contact with such persons to any hospital or place set apart for their due care and treatment

new

3 A person so authorized may take steps to cause such house or dwelling place to be forthwith disinfected or otherwise cleansed in the manner prescribed by such Medical officer

new

4 No house or other building situated within the Municipal limits shall be let to or allowed to be occupied by any person suffering from a disease dangerous to public health without a certificate from the District Medical and Sanitary Officer as to the sanitary condition of such house or dwelling place

new

5 Any person infringing the foregoing bye laws is liable on conviction to a fine not exceeding Rs 50

136

6 Notice of occurrence of any case of anthrax, glanders, rinderpest or any other such disease affecting horse or cattle shall be given to the Health Officer or the Sanitary Inspector of the town

District Sanitary

137

The Health Officer on receiving information of the existence of any such disease shall make such enquiry as may be necessary and if he is satisfied that the removal or segregation of any such animal is necessary the owners shall keep such animal or animals apart or remove them to such place as may be approved of by the Health Officer. On a report from the Health Officer that the destruction of any animal is necessary by reason of its suffering from such disease the President may by order in writing require such animal to be immediately destroyed and no damage shall be payable

District Sanitary

138

Drafting laws of the
imperial-military

in respect of any animal destroyed under such order. When any animal has died from or been destroyed on account of any such disease the carcass shall be removed as soon as possible to the place appointed therefor for burning. The cost of such removal and cremation shall be borne by the Municipal Council.

that

6 Every place which had been occupied by any animal suffering from such disease and every thing which may have come into contact with such animal, whilst so suffering, shall be immediately cleansed and disinfected in such manner as may be required by the Health Officer and if any such thing is in the opinion of the Health Officer not susceptible of efficient disinfection he shall require it to be destroyed provided that for all articles so destroyed such compensation shall be paid as the President after necessary enquiry, may consider reasonable. Every stall or building which has been occupied by animal suffering from such disease shall within 24 hours after it has been disinfected as provided in Section 120 above, be thoroughly limewashed and such stall or building shall not be reoccupied until at least seven days after it has been so disinfected and limewashed. Breach of any of these rules shall render the offender liable on conviction to a fine not exceeding Rs. 50.

10 Any dog found straying in any public street or place without a collar and apparently ownerless, may be destroyed by any person authorized by the President in that behalf
